To Whom It May Concern

Tina O'Hagan Associates Ltd has been supplying Catering equipment to the Birch Silver Group (Café Vaudeville) for the past year. I have found Tina to be extremely professional in identifying our needs and particularly knowledgeable of the products that she sells and exceeds all expectations. I have found her to be a true specialist and consider her the best in the business.

Her delivery schedule for our equipment, Service, installation and commissioning is exceptionally efficient and punctual as well as her after-sales service. I would have no hesitation in recommending Tina O'Hagan Associates Ltd to any professional organisation specifying Catering and Bar Equipment. The purchases we have made to date from Tina O'Hagan Associates Ltd are in excess of £30k.

Yours sincerely,

Kieran McGuigan
